

Schools and Groups - Further details

Contact: sandg@kendalski.co.uk or tel 08456 345 186 (sometimes answerphone)

Bookings from schools and other organised groups are welcome and will be accepted subject to the rules of KSC and availability of instructors and/or supervisors. We regret that availability for snowboarding for groups is extremely limited.

Leaders are responsible for the safety and behaviour of their groups on and off the slope and must cause no disturbance to local residents. Leaders who hold a recognised national qualification for ski or board instruction may be approved by KSC to instruct on the slope subject to rules of KSC (see 'affiliated groups and instructors').

Times available for groups are usually:

Monday	Tuesday	Wednesday	Thursday	Friday	Saturday
12 - 6:30	9:00-5:30	9:00-10:00	9:00-5:30	9:6:30	2:00-3:00
		11:00- 6:30			8:15-9:45

Clothing: Gloves (not fingerless) must be worn by all participants. Sleeveless shirts and shorts are not allowed. There is a misting system so waterproof trousers are advised at all times. Bring full waterproofs in case of rain!

Affiliation: Schools, outdoor centres, official groups and clubs that wish to use KSC facilities several times during the season and/or have their own qualified instructor may wish to become an 'affiliated group' and benefit from lower charges each visit although an annual affiliation fee is payable. Affiliation application forms can be downloaded via the link below. The nominated person (only) applying for the affiliated membership has one vote at the AGM.

Invoices: KSC is not now registered for vat. Invoices will be sent at the end of each month. Payment must be made within 1 month of invoice date. A non-arrival or late cancellation charge of £20 will generally be applied

Instructors: If you have a current national instruction award for skiing or snowboarding that carries full insurance cover and is recognised by KSC you may apply for Instructor Registration. If approved this would apply only to instructing groups from your own affiliated school/centre. Instructors from Cumbria/Lancashire must also have registered their competence with Cumbria or Lancashire Children's Services using forms COMP1 or FORM6 respectively before making bookings for the slope. Instructors from other organisations must register with their appropriate departments.

KSC Accreditation scheme: We have an in-house training and accreditation scheme recognised by Cumbria and Lancashire Children's Services as demonstrating competence to teach skiing at Kendal Snowsports Club. Training courses for this are held from time to time - please enquire via sandg@kendalski.co.uk.
